

LE CARRÉ DE PEÛS
AOP JURANÇON SEC
GASTRONOMIC DRY WHITE WINE

Lionel Osmin & Cie

LE SUD-OUEST... VIVRE, BOIRE ET MANGER.

PROFILE:

This wine comes from the Jurançon Sec AOP region, created by the Gros Manseng grapes. Produced on the appellation's two main terroirs of amphitheatre-like terraces facing the Pyrénées, it is both fresh and full. There are notes of vanilla, white peach and citrus fruits, which linger long on the palate. A real great wine, this white is at its best served chilled. It ages very well, revealing notes of fresh walnut, white truffle and silex.

WINEGROWING:

- Grape variety: Gros Manseng
- Climate: our parcels are under oceanic influence, with winds coming from the south.
- Terroir: the selected plots are Pyrenean Piedmont slopes, with amphitheatre-like terraces facing south. In this blend, the grapes come from high-altitude vineyards lying over the Jurançon AOC's from Monein which is warm and early, producing full, rich wines.

WINEMAKING & AGEING:

Hand harvesting throughout September & October. The entire harvest then undergoes skin contact maceration. Slow, gentle pressing means pure juices and expressive aromas. Controlled-temperature fermentation, in thermoregulated tanks. No malolactic fermentation. Stirring of fine lees during ageing. Bottling after 10 months of ageing.

TASTING NOTES:

Intense colour with golden tints. Expressive aroma with depth; notes of vanilla, white peach, citrus fruit. The same are found on the palate, where the freshness emphasizes a few very slightly candied fruit notes. Nice and long, with nervousness and fullness.

SERVING & PAIRING:

- Service temperature: 10 °C
- Ageing potential: 8 years
- Food pairing: smoked fish, lobster, shrimp, hake, sea bream, fishes in sauce, escargots, prawns, sauerkraut, rib of veal à la crème, cheese fondue, matured goat cheese...
